Greensky Bluegrass

MAR 16

Wednesday March 16, 2011

The State Room

638 S. State

Category: [Music Hot Picks](#)

Based in western Michigan, Greensky Bluegrass probably doesn't see a lot of home, given that the rather rocking bluegrass crew plays about 160 shows a year. While the quintet deals in traditional bluegrass instrumentation—dobro, fiddle, mandolin, standup bass, guitar—they are no slaves to a traditional sound, delving into psychedelia, rock and folk while they burn up the nation's highways. Wednesday 3.16 @ The State Room, 638 S. State, 8 p.m., \$12 advance/\$15 day of show
