Band photo Greensky Bluegrass, one of the finest touring bluegrass/jam bands, is headed to the Garage Pub Wednesday.

Drown those Election Day sorrows on Wednesday listening to some fine jam band/bluegrass, compliments to Michigan-based Greensky Bluegrass over at Yellowstone Valley Brewing Co.'s Garage Pub.

Like a breath of mountain air, this five-piece band uses traditional bluegrass instruments to create original songs and soundscapes.

"We really just try to make music as a group that sounds and feels right to us," says mandolin player Paul Hoffman. "It is nice to know that other people really dig it, too."

[Jambase.com](#) raved, "Greensky Bluegrass hits timeless targets with deadly accuracy while simultaneously veering off the tired and true highway."
