Greensky Bluegrass

Blind Pig / Saturday 6

BY SCOTT RECKER

The most predictable thing from these five Michigan pickers is their unpredictability: They roll traditionally through bluegrass blazers as easily as they perfectly pair a sad folk ballad with a more mellow and rhythmic styling. They're not imitating anyone or setting boundaries — it's just a no-rules roller-coaster ride that nods it's head to the past and cuts its way into the future.

\$15. 9pm. 208 S. 1st St. 734-996-8555.
